

FAIRLAND UNITED REFORMED CHURCH SAFEGUARDING POLICY CHILDREN AND ADULTS AT RISK

At Fairland United Reformed Church, Wymondham, Norfolk, we take safeguarding seriously:

We acknowledge children's and adults' right to protection from abuse regardless of gender, ethnicity, disability, sexuality or beliefs. We consider that the welfare of children is paramount. We will follow legislation, statutory guidance and recognised good practice in order to protect vulnerable people of all ages in our Church.

We will seek to establish a caring environment in which there is an informed vigilance about the range and dangers of abuse. We will maintain and regularly review our procedures.

We have appointed two Safeguarding Officers who will have specific responsibilities for Safeguarding and their names and contact details are given below.
